We **install / operate / rent / lease / franchise**

WiFi INTERNET CENTERS

We can install one in your location, as an added-on value for your customers (ADULTS AND CHILDREN) satisfaction. Beside the Internet Center, we can install gourmet coffee machine, small shop, scanning/printing equipment, mail facilities, local/international fax/phone lines, shipping services, notary public, ATM, and other amenities. In the same shop, we can provide computer technical service, parts, networks, rentals and new computers equipment sales.
